VOLUNTEER OF THE MONTH:

ELISE CARROLL

Elise is a high school student who recently started volunteering with ATRC a few times a week. She literally helps out wherever we need her; as a Horse Leader, Sidewalker, or Barn Worker. She has worked with Thoroughbreds but is relatively new to the equine world and wants to learn more about horses. She is caring, supportive, and interacts well with our young riders. We are truly happy to have her on our team!

To get to know Elise a little better, we asked her a few questions...

1. What is your favorite part about volunteering at ATRC?

My favorite part about volunteering at ATRC is helping others and making connections with the horses as well as the people there.

2. When you're not at ATRC what do you like to do?

When I am not at ATRC I enjoy hanging out with my friends, spending time with my dog Daisy and going to the beach.

3. If you won a million dollars, what would you do with it?

If I won a million dollars I would probably buy a big horse farm, have a bunch of horses on it and spoil all of them with extra treats.

4. Why do you volunteer at ATRC?

I volunteer at ATRC to help others and to be able to be around the sweetest ponies. I get a lot of satisfaction seeing how happy the kids are when riding.

THANK YOU FOR ALL YOU DO!

Save The Date!

Our friends at Capital Harmony A Cappella are hosting a benefit concert to support ATRC on May 16th!

This awesome group reached out wanting to help us find our forever home, and generously made ATRC the recipient of their Spring concert! Concert in the large pavilion, featuring local high school student performers. Please come out to support them on the 16th!

ATRC is a 501c3 not for profit organization, all donations are tax deductible!
