VOLUNTEER OF THE MONTH: LIZ DETWEILER

Liz has been volunteering at ATRC on Sunday mornings for a while now, we are so thankful for her dedication to keeping our herd safe, healthy, and happy

To get to know Liz a little better, we asked her a few questions...

1. What is your favorite part about volunteering at ATRC?

One of my favorite things about volunteering at ATRC is being a part of a program that brings such happiness, education, and skills to so many. I love spending time with the horses and getting to know them, and to see the interactions between the riders and the horses.

2. When you're not at ATRC what do you like to do?

When I'm not at work or ATRC I enjoy spending with my husband and two dogs, and always enjoy learning new hobbies.

3. If you won a million dollars, what would you do with it?

If I won a million dollars it would go towards travel and helping to restore the Cohoes armory, and I would spend a lot more of my time volunteering!

We are still looking for Sponsors for our Upcoming Day at the Golf Course fundraising event!

On Saturday, July 16th twenty eight ATRC supporters sporting Tanner's face on matching tee shirts crawled around Downtown Ballston Spa to sip for a cause! It was hot, but there were lots of laughs! The event raised \$1,300 total- thanks to Arca Ink of South Glens Falls for the shirts and to Tangram Partners, LLC for sponsoring the shirts!

Meet Our SUMMER INTERNS

Lindsey Scaparo- Independent Internship

Lindsey graduated from Saint Lawrence University in 2021 with a Bachelors in Psychology. She enjoyed riding when she was younger and is happy to have found her way back to a barn. Lindsey is interested in becoming PATH certified and is excited for the opportunity to work with others who share her love of horses. Outside of the barn she enjoys board games, reading, and eating too much ice cream.

Miss Lindsey will be helping out with lots of lessons this summer, make sure you stop and say hi when you see her at the farm!

Zoey Bert- Albany Medical College

"I am originally from Long Island and moved to Albany in 2017. I earned my BS in Biology at the University at Albany in 2021. I am currently pursuing a career in medicine at Albany Medical College and have a special interest in neurology.

Outside of the barn I enjoy traveling, spending time outdoors, and baking. I'm a huge animal lover and I'm super excited to spend more time with the horses this summer!" - Zoey and Jane!
