

ATRC OF THE MONTH

A NEWSLETTER FOR THE FAMILIES, FOLLOWERS, AND SUPPORTERS OF ALBANY THERAPEUTIC RIDING CENTER.

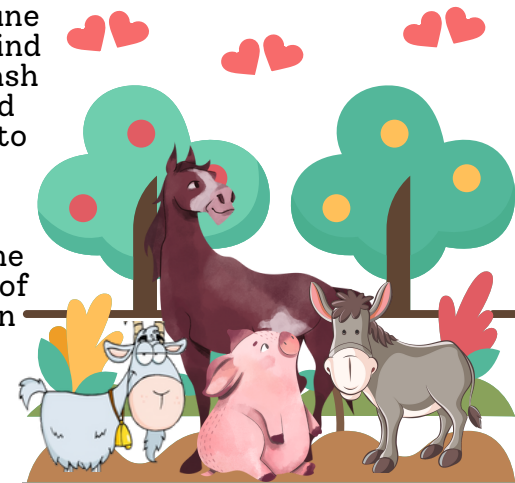

One Year In Our Forever Home

It has been one whole year in ATRC's Forever Home!

Albany Therapeutic Riding Center, Inc (along with some very amazing donors and supporters, purchased the agricultural property located at 6640 Fuller Station Road in Altamont/Guilderland. Moving the horses June 7th, 2021 and starting programming June 9th, 2021, it has been a whirlwind ever since! This property containing 10 horse stalls, a grooming stall, wash stall, huge indoor arena, outdoor arenas, office space, flex space, round pen, and various outdoor paddocks has really given us the opportunity to grow and expand in ways we never dreamed of.

With the purchase of the property came the huge task of raising \$1,000,000 in 5 years to help ATRC pay off our mortgage. Thanks to the generosity of so many people and organizations we are more than 75% of the way there! To help ATRC reach our Forever Home Capital Campaign fundraising goal, reach out to us at albanytherapeuticridingcenter@gmail.com!

VOLUNTEER OF THE MONTH:

CHRISTINE DESROCHERS-LAROSE

We are so excited to have Christine and her always smiling demeanor as part of our team! She always jumps in to help with anything and everything, we are thankful for her passion and dedication to ATRC.

To get to know Christine a little better, we asked her a few questions...

1. What is your favorite part about volunteering at ATRC?

I love watching the participant's joy and excitement for their weekly lessons. It makes my heart happy to see them gain confidence in themselves as they interact and progress with the horses.

2. When you're not at ATRC what do you like to do?

When I am not at ATRC I love to spend time with my family, my 2 horses and lab. I jump at every opportunity I can to continue my learnings in horsemanship and more recently autism. I also never pass up an opportunity to see live music with my friends! I have always found animals and music to be extremely therapeutic

3. If you won a million dollars, what would you do with it?

I would likely quit my day job and go back to school for equine studies and social work. I would then purchase a suitable farm and begin the process of getting the farm and myself PATH certified. I think the world needs more places like ATRC

4. Why do you volunteer at ATRC?

I volunteer as I love to help others experience the healing powers of horses that I have been so fortunate to benefit from.
