### THERAPEUTIC RIDING AND GROUND PROGRAM FEES

A \$30 non-refundable administration fee is due with participant application paperwork. This fee is due at the time the completed application is submitted. ATRC accepts cash, checks, or PayPal payments for all fees, session fees must be paid in full the week before a session begins. ([paypal.me/albanyTRC](https://paypal.me/albanyTRC))

All applications will be reviewed and considered for an hour or half hour private lesson, a select few applications will be considered for group lessons **at the discretion of the instructor**. Please be prepared for your rider to start their lessons with ATRC as a private, one on one mounted or unmounted session.

Groups will be either an hour or a half hour and will consist of 2-5 riders. If you believe group lessons would help meet specific goals of your rider, let us know and we will evaluate/ schedule groups based on age, riding skill level, and goals/ objectives. (Groups will be CAREFULLY matched, and group structure and group placement will be determined by the instructor. Just because you are interested in a group does not guarantee you a group slot, as the group environment may not be appropriate for certain riders).

After the completed paperwork and administrative fee has been received, ATRC will be in touch to confirm receipt and advise the next steps towards the evaluation/ intake assessment.

### ATRC Cancellation Policy

Albany Therapeutic Riding Center, Inc. is putting the following lesson cancellation policies into effect immediately:

- 1) We ask that if you need to cancel a lesson, please inform your instructor at least 24 hours prior to your scheduled lesson time. Your lessons will resume normally in the following week. If you would like to plan a make-up lesson at a different date or time, we will try our best to accommodate you. One make-up lesson is allowed per session. Please understand that the make-up lesson is contingent on instructor and volunteer availability. Any lessons canceled by the rider through a session that have not been made up by the end of a session will not be credited or refunded.
- 2) If you cancel a lesson less than 24 hours of your scheduled lesson time, you will be charged a late cancellation / no show fee which is equivalent to the price of an individual lesson. The 24 hour window does **NOT** apply in the event of an emergency situation or inclement weather. This advanced notice allows us to use the now free time effectively - to organize make-up lessons for other students, to plan a volunteer training session, etc.
- 3) In the event that severe weather is being forecasted, i.e. severe thunderstorms, tornados, blizzards, etc, and the **Staff at ATRC decide to make the call to cancel**, there will be NO penalty to any rider, as it was the Program's decision to cancel. We will notify you as soon as we can of Program cancellations. Lessons canceled by ATRC will have priority for make up lessons. If no make up lesson spaces are available, prepaid left over lessons will be credited to the next session, only in the case that ATRC makes the cancellation. **ATRC does not hold mounted riding lessons in the event that the temperature or "real feel" is above 90 degrees Fahrenheit or below 20 degrees Fahrenheit for the safety of all horses and humans.** ATRC will instead provide unmounted horsemanship lessons in place if weather permits.
- 4) As always, these policies are subject to change as the Riding Center grows and expands! We want to bring as much communication to the front with all our riders, volunteers, and Staff members that we can. Thank you for your understanding!

[Practitioner to fill this form out if participant is receiving services]

Dear Physical/Occupational therapist:

One of your clients is interested in therapeutic horseback riding lessons. Enclosed you will find an assessment form which will help our therapists and instructors develop a safe and effective riding program for him/her/them. Please fill out the areas that pertain to your expertise, and attach any existing assessments or reports that you feel will be helpful to our staff.

Please make special note of any precautions or contraindications to therapeutic equestrian activities.

Therapeutic riding is a unique and productive way to improve the quality of life for many children and adults with physical, cognitive or psychological challenges. Your participation in Albany Therapeutic Riding Center, Inc.'s programming is welcomed and encouraged. Please feel free to contact us if you would like more information. Thank you in advance for your assistance.

Sincerely,

*Taylor Huntley*
